

A white hammock is suspended from a wooden pergola structure over a swimming pool. The pool has a blue and white checkered tile pattern. The background shows a clear blue sky, green trees, and a building. A semi-transparent white box is overlaid on the image, containing the text.

COMMERCIAL POOL

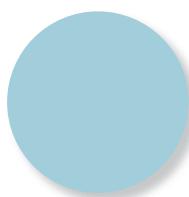

INFINITY by CGT Alkor

Infinity Pool Surface Material by CGT ALKOR is one of the strongest pool membranes in the world. It has been engineered for ease of handling with a maximum strength and endurance backed by a 15-year warranty.

Years of research have led to the development of our commercial grade membrane designed to withstand UV rays, stains and chlorine.
